Iain Russell

Senior Software Engineer

My skills and experience and how they relate to the role

18th April 2023

Hi, I'm Iain

I am a dedicated and focused engineer with a background in aeronautical and software engineering with experience in defence, finance and technology sectors.

I have a keen interest in Astronomy and technology, with a proven record of developing complex and resilient software applications.

Originally from East Kilbride but now based in Edinburgh via a variety of locales.

I enjoy hiking (with my dogs), camping, travelling and reading.
